The Piedmont School

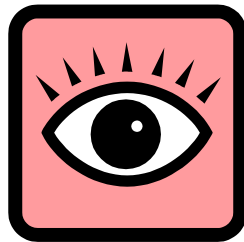

Tuesday, October 28th

7:00—9:00 p.m.

The Purpose of Vision is to

_____ •
“Visual Process in Childhood Learning”

Presented by
Dr. Mark W. Roberts, FCOVD

Dr. Roberts specializes in visual disorders affecting reading, learning and attention as well as wandering eye, lazy eye and Autistic Spectrum Disorders.

For over two decades, he has helped children (and adults) who have difficulties in these areas.
